

Participation in the Development of Chesapeake Bay Watershed Agreement Management Strategies (09/17/14)

The table below provides the compiled list of planned signatory participation in the development of Management Strategies: As provided by the Chesapeake Bay Watershed Agreement, participation in Management Strategies or participating in the achievement of Outcomes is expected to vary by signatory based on differing priorities across the watershed. This participation may include sharing knowledge, data or information, educating citizens or members, working on future legislation and developing or implementing programs or practices.
