Theodore Tesler Bio:

Theodore (Ted) Tesler is a Professional Geologist with the Pennsylvania Department of Environmental Protection. Mr. Tesler graduated with a BS Geology degree from Lafayette College and has over 18 years of experience in completing environmental investigation and remediation/compliance projects in support of brownfield restoration and groundwater fate and transport modeling. In 2011, Mr. Tesler joined the PADEP Interstate Waters Office and is currently engaged with Pennsylvania's Chesapeake Bay restoration efforts. In this capacity Mr. Tesler is responsible for collecting and reporting Pennsylvania's BMP data and currently serves as Chair of the Bay Program's Watershed Technical Workgroup. Ted lives in Harrisburg with his wife and three children and enjoys cycling and playing piano.
