

Agricultural Modeling Workshop

Marriott Inn and Conference Center

University of Maryland- College Park Campus
3501 University Blvd, East · Hyattsville, Maryland 20783 USA

May 22-23, 2013

Workshop Agenda

Wednesday, May 22

09:00 Opening Session: Large Hall

Welcoming Speech, **Speaker TBD**

Overview, Process, Objectives and Products, Bill Angstadt

10:00 General Modeling Session: Large Hall

CBP Partnership Structure and Modeling Purpose, Jenn Volk

CBP Modeling Structure and Agricultural Modeling, Gary Shenk

12:00 Lunch (Provided)

01:00 Focus Group Tracts: Conference Rooms

1. Agronomic Tract; Gary Shenk, Matt Johnston, Jeff Sweeney, Jessica Rigelman

Nutrients, Applications and Crop Production Group 1

Nutrients, Applications and Crop Production Group 2

Nutrients, Applications and Crop Production Group 3

2. Agricultural Forecasting Tract, Peter Claggett, Facilitator: Jim Baird

Livestock Production and Land Use

03:00 Break (Provided)

03:30 Focus Group Tracts: Conference Rooms

1. Agronomic Tract (Cont.) Gary Shenk, Matt Johnston, Jeff Sweeney, Jessica Rigelman

Nutrients, Applications and Crop Production Group 1

Nutrients, Applications and Crop Production Group 2

Nutrients, Applications and Crop Production Group 3

2. Agricultural Forecasting Tract (Cont.) Peter Claggett, Facilitator: Jim Baird

Livestock Production and Land Use

05:30 Break

05:45 Poster Session: Large Hall

07:00 Dinner (selected during registration)

Thursday, May 23

08:00 Breakfast (Provided)

09:00 General Session: Large Hall

Summary Results: Day 1, Mark Davis

Process, Objectives and Products: Day 2, Jim Baird

10:00 Focus Group Tracts: Conference Rooms

3. Livestock Tract 1, Gary Shenk, Matt Johnston, Jeff Sweeney, Jessica Rigelman

Cattle Production

Swine Production

Poultry Production

4. Agricultural Forecasting Tract, Peter Claggett, Facilitator: Jim Baird

Crop Production and Land Use

12:00 Lunch (Provided)

01:00 Sector Focus Groups: Conference Rooms

5. Livestock Tract 2 (Repeat), Gary Shenk, Matt Johnston, Jeff Sweeney, Jessica Rigelman

Cattle Production

Swine Production

Poultry Production

6. Agricultural Forecasting Tract (Cont.), Peter Claggett, Facilitator: Jim Baird

Crop Production and Land Use

03:00 Modeling Recommendations session: Large Hall, **Presenter TBD**

Summary Results of Day 2

Combined Summary Results

04:30 Adjourn
