

# 2018-2019 OUTCOME WORKPLAN PRIORITIES

## BREAKOUT SESSIONS

# DEVELOP 2-YEAR WORKPLANS

Actions added to the workplan will:

- Incentivize funding resources from the Chesapeake Bay Program and their partners
- Direct Fish GIT staff resources
- Receive support from other Chesapeake Bay Program teams
- Ensure that we are progressing towards our Outcomes

# BREAKOUTS

- Divide into 4 groups
- Each group will spend 15 minutes at an Outcome station
  - Learn about progress made in the past two years
  - Hear about future actions
  - Contribute and discuss new actions and priorities

# WHILE IN BREAKOUT GROUPS

Consider:

- What factors are influencing our ability to achieve our outcomes?
- What actions we can take to address these factors?
- Where are we still experiencing data gaps?
