2018 Goal Implementation Team Projects Process for Project Funding and Request for Ideas

Goal of Funds and Eligibility

- To identify and remove key barriers that hinder accomplishment of management strategies and workplans
 - All Chesapeake bay Program Goal Implementation Teams (GITs) and workgroups responsible for management strategies may participate
 - Projects should demonstrate how they support the achievement of one or more related outcomes
- 

How Much Money is Available?

- 2018-\$860,000 total funding available
- Project cost range should fit the range of \$25,000-\$75,000)

Next Steps

- Fill out a Project Idea Submission Form in the guidance document (due COB Friday, July 20)
 - Stewardship GIT leads meeting Monday, July 16 to discuss and prioritize project ideas amongst workgroups.
-
