ends in February 2025*

Protect Local Waterways

- Protect Local Waterways is a hit!

Local Leadership Survey

Survey Questionnaire (continued)

Thanks. Now we want to ask some questions about how you make policy decisions.

6) How much are you thinking about downstream communities and/or the Chesapeake Bay when making policy decisions for your community?

Not at all (1) to A great deal (7)

7) How much impact do you think the decisions you make have on downstream communities and/or the Chesapeake Bay?

None (1) to A great deal (7)

8) How much impact do you think the decisions upstream communities make have on your communities' water quality?

None (1) to A great deal (7)

9) Given your local budget and existing constraints, how much do you think about downstream communities and/or the Chesapeake Bay when making decisions related to:

Not at all (1) to A great deal (7)

- Land use policy/plans
- Drinking water
- Water resources
- Local ordinances
- Economic development
- Stormwater management
- Infrastructure

Past Programming

Wandering Delmarva's Waterways

Peer learning around supporting a strong agricultural economy and a healthy environment
