9:00 Welcome and Introductions

Rebecca Hanmer

9:10 Forest Service Budget

Sally Claggett

Sally will provide updates on funding allocations for the Chesapeake Watershed Forestry program in current fiscal year and look ahead to what is in store for FY18.

9:20 Phase III WIP Forestry Info Packet

Sally Claggett

A discussion of a forestry WIP III planning packet has been released “Draft Forestry BMP Information Packet for WIP III.” This is a project the FWG decided to pursue several months ago, and our summer intern, Amelia Avis, helped pull this information together. We are still waiting for some information to be loaded into CAST before we do all the runs we were hoping to do. We will go over the packet information compiled at this point and collect feedback on it.
