\$1,000

\$1,600

\$2,000

\$13,500 (Stewplans \$2400,\$1,000 BYB)

\$1,000

Where did the funds go?

How did VDOPF do?

What was done

- Riparian forest buffers = 2.6 miles (13,000 +ln ft)
- Tree Planting = 18 acres
- Backyard Buffers = 500 trees
- Gravel Road Workshop = 3 workshops
- Monitoring forest buffers = 20 sites
- Forest Stewardship Plans = 8
- Easement referrals = reached 60 landowners

Goal

- 4 miles
- 20 acres
- 500 trees
- 2 workshops
- 10 sites
- 20 plans
- 10 referrals

The lives and land of many landowners have been touched and changed, the Potomac watershed is all the better for the efforts made with this grant \$\$\$
