9:00 Welcome and Introductions

Sally Claggett (for Rebecca Hanmer)

9:10 Model Review Tools

Olivia Devereux and John Wolf

Olivia and John will lead the FWG through the new data and tools designed to facilitate review of the draft Phase 6 Model inputs and outputs. These data and tools are now available online.

9:40 WIP III Planning

Sally Claggett

Sally will lead a discussion on forest planning for WIP III and will review new forest buffer data (existing and potential) that the FWG can provide to states, federal facilities, and local governments to help them establish their WIP targets by county. Julie led a similar discussion at the last FWG for Tree Canopy Expansion. Ideas on other useful data and information will be requested.
