**May 1, 2019 9:00-10:30 AM**

**Conference Line:** 669-900-6833, **Conference Code:** 383-198-260  
**Zoom:** <https://zoom.us/j/383198260>

---

<b>9:00 am</b>	<b>Welcome and Introductions</b>	<b>Sally Claggett</b>
<b>9:10 am</b>	<b>BMP Mapping and Tracking</b> Last month we heard from the Chesapeake Conservancy about some of the objectives of their EPA grant with other remote sensing partners). Katie and Louis, also of CC, will tell us about Objective 3, BMP Mapping and Tracking, and specifically about their research into mapping variable width-buffers. Discussion will follow.	<b>Katie Walker and Louis Keddell</b>
<b>9:40 am</b>	<b>Forestry in draft Phase III WIPs</b> Sally will share what she and Julie have gathered thus far regarding forestry elements in the draft WIPs. They are anticipating providing a perspective of the forestry sector, on behalf of the Forestry Workgroup, and will be looking for comments from the group.	<b>Sally Claggett</b>
<b>10:10 am</b>	<b>Sharing</b>	<b>All</b>
<b>10:30 am</b>	<b>Adjourn</b>
