Subject: REMINDER and RESTORATION INDICATORS DATA CALL: March 21, 2013 - Joint Meeting of Coordinators/Staffers and Indicators Workgroup (11-12:30, 305a, DC#3 conf bridge)
Date: Thursday, February 28, 2013 4:36:00 PM

The joint mtg of the Indicators Workgroup and the Coordinators/Staffers Group is still scheduled for March 21st (11-12:30, 305a, DC#3 conf bridge). Please see below for the message sent last month with details about the mtg.

In advance of this mtg, many of you will be updating Executive Order Progress Report measures with 2012 data. When you are finished (or in conjunction), please provide me with your updated spreadsheets/webtext/Analysis & Methods documentation for any of those measures that are also reported on the ChesapeakeBay.net website in the "Track Our Progress" section.

By the first week in April, we'd like to have spreadsheets/webtext/Analysis & Methods documentation updated with 2012 content for all CBP "Restoration" indicators (refer to complete listing of CBP "Restoration" indicators at <http://www.chesapeakebay.net/track/restoration>). This would allow us to have the most current information available as we prepare for the 2013 Executive Council Meeting (tentatively scheduled for May or June).

If CBP "Health" indicators can also be updated with 2012 data in that time frame, please provide the updated spreadsheets/webtext/Analysis & Methods documentation to me as well (refer to <http://www.chesapeakebay.net/track/health> for links to all of the CBP "Health" indicators).

We will discuss further when we meet on the 21st and in the meantime, please do not hesitate to contact me with any questions or concerns.

Thanks! Nita
