

A Local Government Guide to the Chesapeake Bay: Phase II

Why do we need a Phase II?

- Demand for additional modules on new topic areas
- Challenges with accessing the editable versions of the files
- Additional support for users for the modules
- Need place to store additional educational materials
- Phase I was a success and there is a clear opportunity to continue the momentum!

Phase II Plans

- Develop 3 – 4 additional educational modules
- Online database of educational materials and resources
- Train the trainer workshop on how to use the database and the materials

Phase II Timeline

- May 2022: Contract Awarded
- June – December 2022: Create additional modules
- January – June 2023: Create online repository
- May/June 2023: Train the trainer
