

# CBP Biennial Strategy Review System Kick-off Meeting Date and Agenda

Management Board  
January 12, 2017

## *Today's Requested Actions:*

1. Approval to lengthen meeting from 1.0 days → 1.5 days.
2. General agreement on agenda.

# Biennial Strategy Review System

## *Reminders – what is this all about?:*

**SRS:** Watershed agreement commitment to, “re-evaluate biennially and update strategies as necessary, with attention to changing environmental and economic conditions.”

**Biennial Review Meeting:** “a broad identification and discussion of general themes in the implementation, scientific, fiscal, and policy fields that will be used to inform the review and possible modification of individual Outcome discussions over the next two years.”

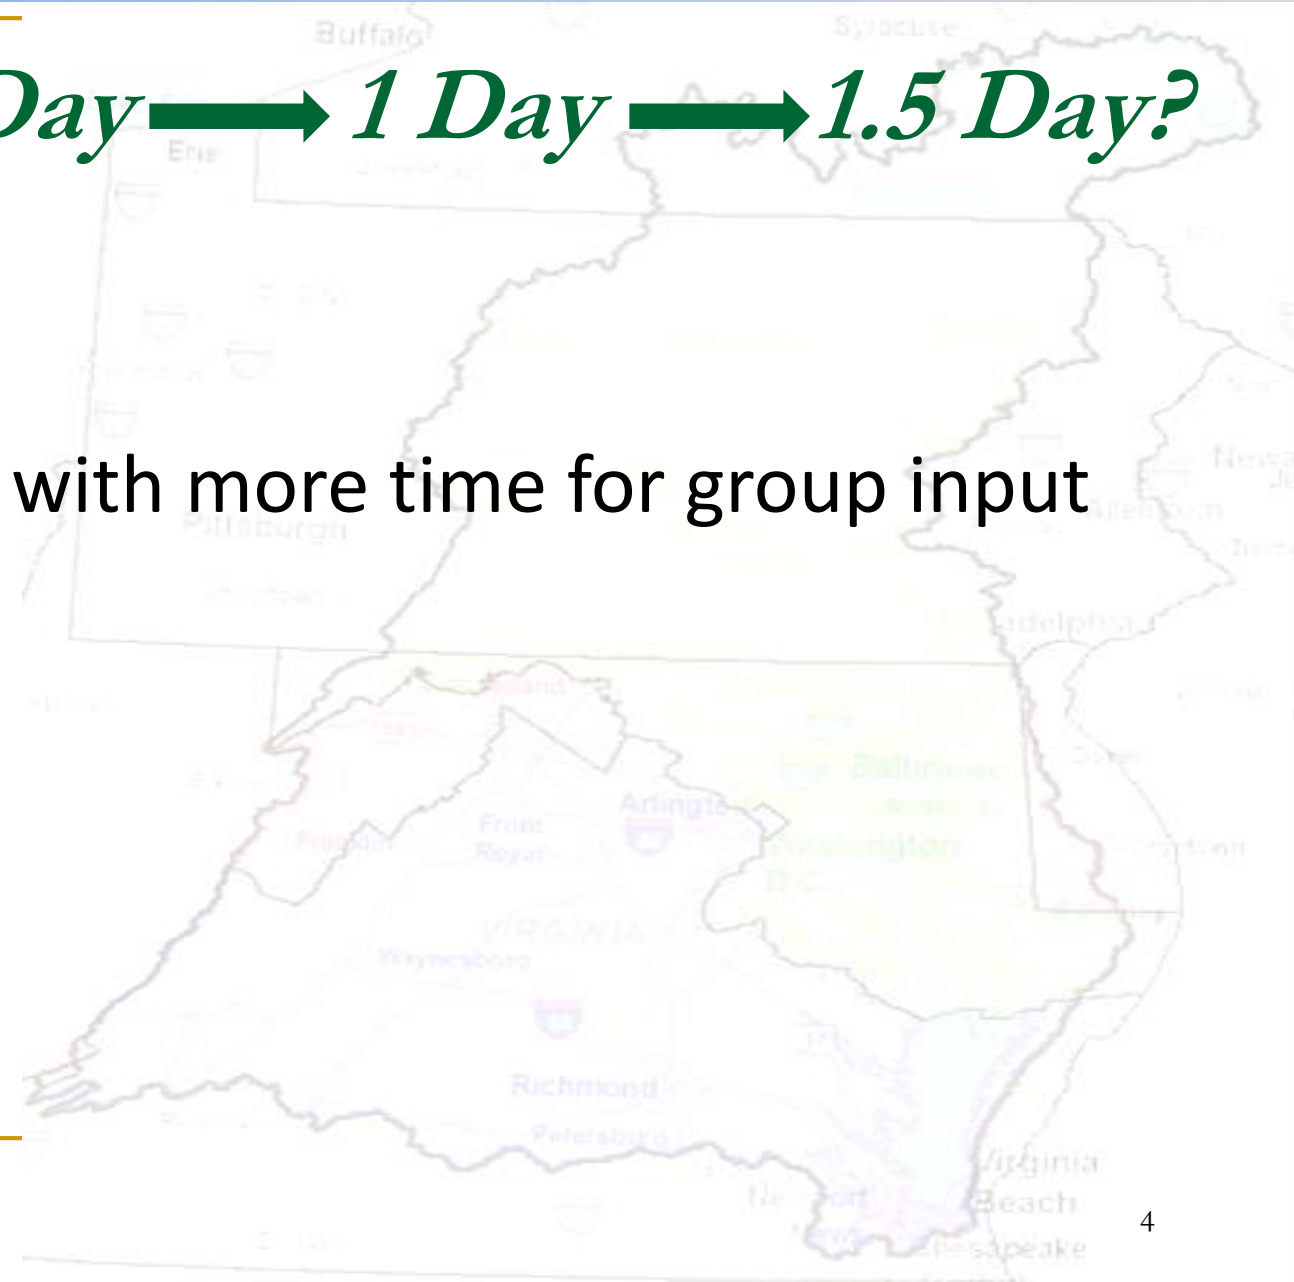

**Quarterly Progress Meetings:** Management Board meetings, “during which progress on individual Outcomes (grouped by theme) is reviewed and necessary changes identified.”

## *Requested Action #1: 2 Day → 1 Day → 1.5 Day?*

### Why?

1. More productive meeting with more time for group input and discussion.
2. We can do it.

## *Requested Action #2: Agenda*
