2025 and Beyond Discussion

The deadline for volunteering or nominating someone to participate in an ad hoc group on “Reaching 2025” was January 26. If you haven’t identified someone for this group and are interested, please send contact information to Carin Bisland (bisland.carin@epa.gov)

STAC Quarterly Meeting

The STAC Spring meeting will be held on March 14-15. The meeting will focus on prevalence and risk of waterborne human pathogens in the Bay.

Federal Crediting Task Force

Jurisdictions are reminded to please nominate 2-3 reps to participate in the Federal Crediting Task Force. Please submit nominations to Leon Tillman (leon.tillman@usda.gov) or Kelly Shank (shenk.kelly@epa.gov).

Choose Clean Water Conference

The Choose Clean Water Conference will be held from May 23-24 in Harrisburg, PA.

Path Forward on CAST:

During today’s meeting, Lee McDonnell and David Goshorn presented on the path forward for updates to CAST and actions to address the three PSC decisions on CAST 2021.

- **Action:** The Modeling Team will make the following edits to the Maryland CAST Proposal
 - Correct typo in item 3.
 - Clarify that the date the Water Quality GIT will report back to the Management Board is August, 2023.
- **Decision:** Incorporating the two edits above, the Management Board reached consensus to approve the proposal for future updates to CAST.
- **Decision:** The Management Board reached consensus to approve the partnership’s Fertilizer Action Plan.

RECAP – MB has approved a path forward for all 3 of the 08/29/22 PSC decisions regarding updates to CAST. The 1/26/23 meeting decisions above provide a path forward for PSC decisions 1 and 2. The 12/16/22 meeting decision provided a path forward for PSC decision 3.
