

DRAFT Bipartisan Infrastructure Law and Potential Applicability to Watershed Agreement Outcomes

BIL Funding	Agency / Department	Blue Crab Abundance	Oyster Restoration	Fish Habitat and Forage Fish	Brook Trout	Fish Passage	Forest Buffers	Stream Health	Submerged Aquatic Vegetation	Tree Canopy	Wetlands	Black Duck	2025 Watershed Implementation	Water Quality Standards Attainment and Monitoring	Protected Lands	Public Access Site Development	Diversity	Citizen Stewardship
State Revolving Fund	EPA									X	X		X					
Chesapeake Geo Program (\$238 million)	EPA						X	X	X	X	X		X	X			X	X
National Coastal Resilience Fund (\$492 million)	NOAA										X							
Habitat Restoration and Community Resilience Grants (\$491 million)	NOAA		X						X		X							
NERR (\$77 million)	NOAA										X							
CZMA (\$207 million)	NOAA										X							
Fish Passage Barrier Removal Grants (\$400 million)	NOAA					X												
Planning Assistance to States (PAS)	USACE	X	X	X	X	X		X	X		X	X	X					
Floodplain Management Services Program (FPMS)	USACE							X				X						
Continuing Authorities Program (CAP)	USACE	X	X	X	X	X		X	X		X	X	X					
Section 510 - Chesapeake Bay Env Restoration and Protection Program	USACE	X	X	X	X	X		X	X		X	X	X					
Flood Risk Management (FRM)	USACE																	
Oyster Restoration Program	USACE		X															
Resource Management - Restoring Fish and Wildlife Passage (\$200 million)	FWS					X												
Ecosystem Restoration (\$2.13 billion)	DOI / USDA	?	?	?	?	?	?	?	?	?	?	?	?	?	?	?	?	?
Ecological restoration: Invasive Species (\$100M)	DOI			X														
Ecological restoration: Resilient Recreation (\$45M)	DOI														X	X		
Ecological restoration: revegetation and hazard mitigation on mined lands (\$100M)	DOI							X										
Ecosystem restoration: National Revegetation Strategy on grass lands (\$70M)	DOI																	
Coordination on landscape scale, aquatic focused restoration	DOI / USDA																	
Watershed and Flood Prevention Operations (\$500 million)	USDA / NRCS																	
Watershed Rehabilitation (\$118 million)	USDA / NRCS																	
Emergency Watershed Protection Program (\$300 million)	USDA / NRCS																	

* Areas of potential applicability are opportunities for consideration and do not reflect confirmed eligibility for funding.

**Bipartisan Infrastructure Law funds included do not represent all funding available.
