

Chesapeake Bay Program

Science. Restoration. Partnership.

Management Board (MB) Meeting

Actions

March 14, 2024

Meeting Materials

Student Environmental Literacy:

- No actions/ decisions reported.

Public Access:

- No actions/ decisions reported.

Diversity:

- **Action:** The partnership will re-establish annual updates from the individual signatories' DEIJ work at future PSC meetings
- **Action:** A request was made to embed DEIJ champions throughout the CBP organizational structure to help facilitate implementation.
- **Action:** The partners urged CBPO to move forward quickly with the hiring of a DEIJ coordinator and requested that they be included in the hiring process. The EPA is prioritizing the hiring process for the coordinator and agreed to share the announcement so it can be amplified across networks.
- **Action:** The Management Board will revisit the DEIJ Implementation Plan at a future meeting.

Stewardship:

- No actions/ decisions reported.
