Agenda

- I. **Getting Started: Order of the Day and Introductions** (10:00 a.m. – 10:20 a.m.)
Dana Aunkst, Management Board Chair, will review the Actions and Decisions from the August 15, 2019 Management Board meeting. *Deb Klenotic*, Communications Workgroup Chair, will provide an update of the Communications Workgroup activities.
Materials:
I.a. Management Board Actions & Decisions, August 2019
- II. **Cropland Irrigation BMP Panel Report** (10:20 a.m. – 11:00 a.m.)
An overview and discussion on an alternate expert panel process proposed by Delaware.
Background: The CBP Cropland Irrigation BMP Expert Panel determined that there is not enough scientific data and information at this time to recommend a pollutant load reduction efficiency for the practice and that further research is needed before a BMP is approved. Tim Sexton, VA DCR and panel chair, presented the report to the Agriculture Workgroup on March 21 and May 16 for approval, but consensus was not reached. The Water Quality GIT on June 10 also failed to reach consensus to approve the report. Delaware subsequently issued a proposal to convene an alternate process for a supplemental expert panel to reconsider the BMP and resolve issues with the first expert panel.
Decision Requested: The MB will be asked to:
 - 1) Review Delaware's proposal and make a decision on the alternate expert panel review process and any resources needed to convene such a panel;
 - 2) Potentially decide on a process for implementing the findings of the proposed supplemental panel.

Presenter: Chris Brosch, DE Department of Agriculture

Materials:

II.a. DE Proposal for a “supplementary ad hoc expert panel”

II.b. CBP Expert Panel annotated response to DE’s proposal

II.c. Summary of Cropland Irrigation Expert Panel Member Response to DE’s Supplemental Proposal

III. Wrap up from Executive Council Meeting (11:00 a.m. – 11:30 a.m.)

An overview and discussion about actions, decisions and other noteworthy observations from the September 5 Executive Council meeting.
