Google Meet Link: meet.google.com/oxw-ugvj-mzw

Call in #: 617-675-4444

Pin: 599 025 000 4849#

Agenda

- Welcome, and note that this meeting is open to the public
- Intro and welcome to new Oyster Recovery Partnership staff member
- Tred Avon: planting update; discussion of completion event
- Manokin: patent tong update
- Manokin and St Marys: contract/ reef construction timeline/ status
- Hatchery update: total sanctuary plantings for 2020; discussion of timeframe for getting that information into the GIS geodatabases, and for starting to develop the 2021 Annual Update document; NOAA may also produce a one-page document with combined MD and VA numbers for 2021, as we get that request fairly frequently.
- Monitoring:
 - Fall 2020 report: moving through NOAA original scientific communications review process
 - Fall 2021: status update
- Other partner updates
