10:00 AM Welcome

- Logistics
- Round Robin Introductions – (Name, Organization, and Position)
- Brief overview of purpose for today's meeting.

10:15 AM Review Current Bay Program Documents and 2025 Goal Status

- Review the Strategy Review System (SRS) process and discuss schedule changes.
- Logic and Action Plan: review and report on the status of each action.
- Review the Narrative Analysis: reflection of 2-year progress including strengths and challenges.
- Discussion about the current inventory process and how it could be improved.
 - Interactive GIS collection, format, closed sites, other types of water access.

11:00 AM Thinking Beyond 2025

- Brainstorming - What should the public access goal be beyond 2025?
- Discussion on potential products, studies or resources the workgroup could produce or focus on.
- Identify potential goals, projects, and initiatives for the upcoming years.

11:45 PM Wrap up

- Other business or items for group discussion
- Decide on a date, time, and location for the next Workgroup meeting.
