Director of Community Engagement

# Who We Are

**Our Vision:** A Shenandoah Valley sustained by farms and forests, clean streams and rivers, and thriving communities.

**Our Mission:** Alliance for the Shenandoah Valley informs and engages people to protect the natural resources, cultural heritages, and rural character of our region.

FOR THE SHENANDOAH VALLEY

# Building Regional Capacity

## Shenandoah Networks

A network of organizations working together at the intersection of community health & watershed health.

## Shenandoah Valley Conservation Collaborative

A partnership of regional nonprofits, land trusts, watershed groups, and state and federal conservation agencies. These partners identify opportunities, coordinate expertise, and motivate conservation action.
