

## Urban Stormwater Workgroup Conference Call Agenda

Tuesday, October 25

9:00 AM to 11:00 AM

**Call-in Number:** 866-299-3188; code 517-628-4390

**Adobe Connect:** <http://chesapeake1.na4.acrobat.com/uswg>

---

- 9:00 Welcome, Introductions, and Review of Meeting Minutes**      **Norm Goulet, Chair**  
(Attachment A)
- 9:15 Urban BMP Panel Updates**      **Tom Schueler**  
Tom will provide an update of progress being made in the four BMP review panels and discuss the current queue of future BMP review panels that have been requested by state partners (Attachments B and C).
- 9:30 Process for State Requests for Interim BMPs During WIP Planning**      **Lucinda Power, EPA**  
At the last USWG meeting, there was some confusion among the states about the process for getting EPA approval for placeholder removal rates for interim BMPs that have not yet gone through the BMP review panel process. Lucinda will clarify the process, and describe how it affects WIP planning and future CBWM runs (Attachment D).
- 9:45 Urban BMP Cost Numbers in MAST**      **Dennis King, University of Maryland**  
Dennis has developed planning level cost estimates for the current list of EPA approved urban BMPs. Dennis will describe how the estimates were derived and the caveats involved in properly using them for local Phase 2 WIP planning. Dennis will also describe some of the key cost research needs to improve our ability to forecast BMP costs (Attachment E) .
- 10:15 Development of Updated BMP Cost Database**      **Schueler, CSN**  
CSN will be developing an updated urban BMP cost database in early 2012. Tom will present the proposed architecture and sampling method for USWG review, and will solicit feedback on which BMPs should be the priority for intensive cost research (Attachment F) .
- 10:35 Feedback on Analyzing Scenarios with CAST/MAST Tools**      **Norm Goulet, Chair**  
Norm will solicit feedback from the work group on the utility of these newly released tools for estimating nutrient and sediment reductions in Phase 2 WIPs.
- 10: 45 Process for Urban BMP Reporting Tracking and Verification**      **Schueler, CSN**  
Tom will solicit guidance and feedback on procedures for reporting, tracking, and verifying urban BMPS (Attachment G).
- 11:00 Adjourn**      **Goulet**
