Agenda

- Welcome, and note that this meeting is open to the public
- Presentation by Rom Lipcius (VIMS) on the Lower York REPI project
- General updates on reef construction, project status, etc.
- There has been a lot of reef construction this summer- check in to see if everyone has the info (reef name, material, location, etc) to NOAA so it can go into the GIS geodatabases.
- Partner updates: Piankatank River signs; Great Wicomico and Lower York completion event/s; CBF Rod and Reef tournament; Bay Program executive committee meeting at Brock Center; other updates
- Other news, points for discussion, or future meeting agenda items.
