

Phase 6 Model Review information for the Wastewater Treatment Workgroup (DRAFT)

- The WWTWG will be responsible for creating a comprehensive standalone document for phase 6. The workgroup is encouraged to review old model documentation and provide recommendations on any new contents they expect to see in the phase 6 model document. The documentation to be prepared will be somewhat similar to Appendix F in the phase 4 model documentation.

Model Review Process

The process by which the partnership can most effectively submit comments and provide feedback to the development of the Phase 6 model will be outlined in a continuously updated document found below. The schedule of upcoming webinars is also provided below and in the attached document. Please contact Lewis Linker (llinker@chesapeakebay.net) or Kyle Hinson (khinson@chesapeakebay.net) with any questions.

Phase 6 Sediment Simulation Webinar: April 19, 2017, 1 PM - 3 PM ([link](#)) ([recording](#))

Phase 6 Integrated Models and Decision Framework Overview Webinar: May 9, 2017, 1 PM - 3 PM ([link](#)) ([recording](#))

Phase 6 Inputs Webinar: May 25, 2017, 1 PM - 3 PM ([link](#))

Phase 6 Loads Webinar: June 1, 2017, 1 PM - 3 PM ([link](#))

Phase 6 Physical Transport Webinar: June 20, 2017, 1 PM - 3 PM ([link](#))
