- |          |   |                       |
|----------|---|-----------------------|
| 10:00 AM | <b>Welcome and Introductions</b>  | Spano                 |
| 10:10 AM | <b>Midpoint Assessment Priority Workplans &amp; Timeline</b>  | Spano/Zhou            |
|          | Tanya and Ning will discuss the workgroup's draft workplans and associated timeline for their completion (Attachment A).  |                       |
|          | <b>Action requested:</b> Workgroup discussion and input is requested.   |                       |
| 10:55 AM | <b>Refresher of BMP Approval Process</b>  | Spano/Hanson          |
|          | As requested during January's conference call, Tanya and Jeremy will describe the WQGIT's protocol for BMP review (Attachment B). Jeremy will summarize the list of BMPs that are currently under review, or planned for review (Attachment C). |                       |
|          | <b>Action requested:</b> WWTWG members are asked to submit any new BMPs for expert panel review. This is an ongoing request.  |                       |
| 11:15 AM | <b>BMP Verification Follow-up</b>   | Zhou/Hanson           |
|          | Ning and Jeremy will describe changes made to the Verification Protocol following January's conference call. The Protocol was presented to the BMP Verification Committee during their February 21 <sup>st</sup> meeting. (Attachment D)        |                       |
| 11:25 AM | <b>Septic Panel update</b>  | Tetra Tech            |
| 11:35 AM | <b>WWTWG 2013 Schedule</b>  | Spano                 |
| 11:45 AM | <b>Other Updates</b>  | Open to the Workgroup |
| 12:00 PM | <b>Meeting Adjourned</b>  | Spano                 |
