- |          |  |                       |
|----------|--|-----------------------|
| 10:00 AM | <b>Welcome and Introductions</b>   | Spano                 |
| 10:10 AM | <b>Report from WQGIT October 22<sup>nd</sup>-23<sup>rd</sup> face-to-face</b>  | Spano/Zhou            |
|          | <ul style="list-style-type: none"><li>• The WQGIT met October 22nd-23rd to discuss the 2017 midpoint assessment schedule and priorities. Tanya and Ning will summarize the highlights and outcomes from the meeting, and explain the WWTWG's role going forward.</li><li>• <b>ACTION:</b> The WWTWG needs to develop a workplan by February 2013 for its midpoint assessment priorities:<ol style="list-style-type: none"><li>1. Improve data for non-significant facilities, especially industrials</li><li>2. Standardize methods to account for net loads from industrial facilities</li><li>3. Evaluate how biosolids land applied and accounted for</li><li>4. Determine how to incorporate local septic data</li><li>5. Develop methods for identifying/quantifying loads from commercial and residential onsite systems</li><li>6. Agree on methods to account for reduced septic loads</li></ol></li></ul> |                       |
| 11:10 AM | <b>Discussion of draft wastewater reference sheet</b>  | Spano/Hanson          |
|          | <ul style="list-style-type: none"><li>• Jeremy has been working with CBPO staff to compile a summary of wastewater loads and management among the jurisdictions. The document will serve as a useful reference for BMP verification and other ongoing discussions within the Partnership...</li><li>• <b>Feedback Requested:</b> WWTWG members should provide comments, corrections, and additional information for the reference sheet to Jeremy Hanson (<a href="mailto:jhanson@chesapeakebay.net">jhanson@chesapeakebay.net</a>).</li></ul>   |                       |
| 11:40 AM | <b>Other Updates</b>   | Open to the Workgroup |
| 11:50 AM | <b>Meeting Adjourned</b>   |                       |
