

Coordinator updates

Jeremy Hanson, CRC, WQGIT Coordinator
January 22, 2024

Image of Mid-Atlantic on Jan. 4 2022 following a "nor'easter." Photo by [Joshua Stevens](#), NASA Earth Observatory. Downloaded [here](#), cropped and enlarged for slide.

January:
*"Oh, the weather
outside is..."*

Wishing you all a
warm, cozy and safe
start to 2024!
