

Two-Year Milestones Schedule

Suzanne Trevena

Water Quality Goal Implementation Team

November 27, 2023

Upcoming Due Dates

- **December 1:** Implementation progress due to NEIEN
 - Federal data should have been submitted to states in Oct.
 - Progress review meetings are, or will be, scheduled with jurisdictions
- **January 16, 2024:** Jurisdiction/Conowingo/Federal 2022-2023 programmatic progress due
- **January 16, 2024:** Jurisdiction/Conowingo/Federal 2024-2025 draft programmatic commitments and draft numeric commitments due
 - **OPTION 1:** Submit numeric commitments within the programmatic commitments for the priority BMPs as identified in your WIP
 - **OPTION 2:** Submit numeric commitments as a CAST scenario

Upcoming Due Dates

- **January 31, 2024:** EPA compiles federal agency programmatic milestone commitments and posts to Federal Leadership website
- **January 31, 2024:** Jurisdictions/Conowingo milestone commitments and progress posted to their websites
- **Within 60 days of submission of draft programmatic milestones OR finalized numeric progress reports, which ever is later** – EPA provides draft evaluations to jurisdictions, Conowingo Steering Committee, and Federal Agencies
 - 2023 progress will be evaluated with the current version of CAST (CAST-19) as agreed upon by the CBP partnership

How to submit milestone information

Any CAST scenarios should be saved in CAST and the file name shared with the CBPO modeling team

- Jeff Sweeney, Auston Smith, Jess Rigelman

Programmatic milestone information submitted to EPA State WIP Leads:

- DC – Greg Barranco
- DE/PA – Tracy Clarke
- MD/WV – Auston Smith
- NY – Maddy Lambrix
- VA – Bo Williams
- Conowingo – Eric Hughes
- Federal – Greg Allen & Amy Handen
