

# WQGIT - looking ahead (tentative)

- Oct 27 or Nov 17 WQGIT
  - Revisit the 2026-2027 timeline updated since August, share latest draft info for more feedback
    - Building out checkpoints in the timeline + Narrative timeline overview + latest Gantt charts
  - Briefings and discussions on recent tidal and nontidal monitoring, attainment indicators
- Nov 17 or Dec 15 WQGIT
  - Intro level refresher on existing target methodology from the past
  - Intro to emerging approach of tiered implementation and targets
- Dec 2025 – Feb 2026: [other topics, TBD]

# WQGIT - looking ahead (tentative) – CONT'D

- March 2026 (One day, Face to Face in Annapolis...)
  - All day (~10-3ish)
  - Bring back the speakers from earlier meetings if possible + additional co-presenters to fill gaps or address questions
  - Deeper dive into target setting methods, process, timeline:
    - What do we need to know and when? When can/will we make decisions?
  - Deeper dive into tiered implementation and exploratory steps
    - What do we need to know and when? When can/will we make decisions?
