

CHESAPEAKE BAY PROGRAM
WATER QUALITY GOAL IMPLEMENTATION TEAM

April 9, 2018 ACTIONS AND DECISIONS

Meeting Materials: [Link](#)

Action: The WQGIT will continue to provide feedback on updates to the STAR Science Needs table. Priority needs for final decision will be deferred until the 2018-2019 WQGIT workplan is published, to allow integration of STAR needs with WQGIT-identified workplan and management strategy priorities.

Action: The WQGIT will invite the Forestry workgroup, Toxic Contaminants Workgroup, and STAR monitoring and water quality standards attainment workgroups to present their SRS outcomes and materials at the April 23 WQGIT call for discussion and coordination with the WQGIT SRS presentation.

Action: By COB April 17, The WQGIT will provide feedback to Jeremy Hanson (jchanson@vt.edu) on the draft CBP response letter to STAC's recommendations regarding BMP performance uncertainty in CBP implementation efforts.
