ID: 268 076 059 606, **PASSCODE:** enVkkKy

Or call in (audio only): +1 202-991-0477

Agenda:

10:00	Welcome, Roll Call, and Announcements – 20 min <i><u>Presenters:</u> Alison Santoro (MDNR) and Sara Weglein (MDNR)</i> <u>Announcements will include updates on:</u> <ul style="list-style-type: none">• The 2021 GIT Funding Project• The 2022 GIT Funding Cycle• Stream Restoration Permitting Survey
10:20	Rising Water Temperatures and Stream Health – 30 min <i><u>Presenter:</u> Katie Brownson, U.S. Forest Service, Coordinator of the CBP Forestry Workgroup</i> Katie will provide a brief summary of the recently-released STAC Workshop report “ <i>Rising Watershed and Bay Water Temperatures—Ecological Implications and Management Responses</i> ”. She will then lead a discussion regarding the role SHWG can play in advancing the report’s recommendations.
10:50	Backyard Stream Repair – Engaging DIY Homeowners – 45 min <i><u>Presenters:</u> Jennifer Fetter, Kristen Koch, Tyler Groh (Penn State University)</i> Penn State Extension is excited to share the results of their new Backyard Stream Repair program that engages a new and eager audience of DIY-Empowered landowners. The program, which includes webinars, field-days, a printed manual, and additional resources is helping instigate streamside restoration efforts across Pennsylvania without ever stepping foot on the properties of participants.
11:35	2023 Meeting Topics & Suggestions – 5 min If you have a suggested topic for meeting presentations, please email the Workgroup Co-Chairs and Staffer.
11:40	Member and Interested Party Updates – 20 min Members will have the opportunity to provide any updates relevant to the workgroup.
12:00	Adjourn meeting. Next meeting: Friday, April 21st, 2023, from 10:00-12:00 ET

Please note: this meeting will be recorded for internal use to ensure the accuracy of notes
