<b>10:15</b>	<b>Tracking Status and Trends in Seven Key Indicators of River and Stream Condition in the Chesapeake Bay Watershed;</b> <i>Presenter: Rosemary Fanelli and Lindsey Boyle (USGS)</i> – <b>45 min.</b> This presentation will summarize initial results from a multi-year effort to quantify status and trends in seven indicators of stream health in the Chesapeake Bay watershed (aquatic communities, streamflow, water quality, hydromorphology, water temperature, salinity, and toxic contaminants).
<b>11:00</b>	<b>Strategy Review System (SRS) Discussion – 45 min.</b> As part of the Healthy Watersheds Cohort, the Stream Health Workgroup is currently undergoing the Strategy Review System (SRS) process. This process involves in part, updating our Outcome’s workplan and management strategy. A presentation on the current status and needs of the Stream Health Outcome was provided to the CBP’s Management Board at the <a href="#">June 13<sup>th</sup> Management Board Meeting</a> .  During this time, we will be providing an update on the current SRS cycle: <i>where are we, what have we completed, and what’s to come</i> . Discussion will also focus on providing a report out of the June Management Board meeting.  More information on the CBP’s SRS cycle can be found at <a href="#">this link</a> , and our current two-year workplan can be found on the <a href="#">Stream Health Workgroup webpage</a> or at <a href="#">this link</a> .
<b>11:45</b>	<b>Member and Interested Party Updates – 15 min.</b> <i>Those in attendance will have the opportunity to provide any updates relevant to the workgroup.</i>
<b>12:00</b>	<b>Adjourn meeting.</b> <b>Next meeting: Friday, August 16<sup>th</sup>, 2024, from 10:00-12:00 ET</b>
