### **AGENDA**

#### **Welcome/Confirm Call Participants and Updates**

#### **Discussions for the Milestone Workgroup**

- Reporting on the *final* 2009-2011 milestones
  - evaluation of these milestones (using 4.3 vs. 5.3.2 vs. other versions or individual reporting)
  - reporting format (input decks, several page write up, NEIEN/BayTAS)
- Timing of Reporting
  - Report up until Dec 31 or cut off earlier for time to collect data and develop report?
  - The MB asked the WQGIT to re-evaluate the recommendation that reporting on the 2009-2011 milestones should be extended from June 2011 to December 2011
- Additional discussions for Milestone workgroup? Suggestions/recommendations?
- Future discussions for this group
  - Tracking of two-year milestones
  - how this information is shared with the public (invite Doreen & Pravin to discuss)
  - Discussion on developing report to share with the Executive Council each year. This should be a joint partnership effort.
