

WHEN BAY
GRASSES ARE
GREENER

OUR
BAY IS
CLEANER

WHEN BAY
GRASSES
ARE GREEN,
OUR BAY
IS CLEAN

PROTECT & RESTORE UNDERWATER GRASSES

Chesapeake Bay is my Community. I commit:

- *To not removing my Bay grasses*
- *To trim my motors in shallow waters*
- *To fertilizing my lawn less, or using a Bay-friendly fertilizer*
- *To following posted speed limits while boating*

Join your neighbors and help restore the Chesapeake Bay by protecting your Bay grasses.
