

Sustainable Fisheries Goal Implementation Team Meeting: Spring 2025

Location: Virtual (*video conference information to come*)

Date & Time: Tuesday, March 25th @ 9:00am - 4:30pm & Wednesday, March 26th @ 9:00am -2:30pm

General Info

Meeting goal: Reconvene Sustainable Fisheries Goal Implementation Team (Fish GIT) members, workgroups and interested parties to discuss draft “outcomes” and related science in support of the Chesapeake Bay Program's Beyond 2025 process.

Meeting objectives: Provide updates to workgroups, share relevant science updates, receive feedback on draft outcome language.

Please Note: Meeting will be recorded for internal note taking purposes.
