

GIT6 Proposed Priority Project 2025

Shared Learning Series Initiative

- **Lead:** GIT6 with participation from other CBPO groups
- **Goal:** Develop a learning series to reinforce the Principles stated in the Watershed Agreement and to strengthen the collaborative culture of the CBP.
- **Justification:** The Chesapeake Bay Watershed Agreement is the guiding document for the Chesapeake Bay Program. This project developed to reinforce the principles of both 2014 and beyond 2025 will help the Partnership move ahead in its conservation and restoration goals.
