

## February 2023 Quarterly Progress Meeting for the Local Action Cohort (Part 1 of 2)

### Local Leadership Outcome

Where Help is Needed	MB Response Option Results	Follow On Response
1. Requesting Chesapeake Bay Implementation Grant (CBIG) funds to support the Peer2Peer Engagement (Bus Tours). Consider using Local Implementation funds to support Peer2Peer Engagement (Bus Tours)	1. Acknowledge that the MB is not committing to take specific action; express gratitude for the work and information. <b>2. Handle the outcome request.</b> 3. Elevate to the PSC. 4. Refer to another team/workgroup.	Action: MB Members will review funding opportunities, including the local implementation funding within the jurisdiction or federal agency they represent on the Management Board to see how each can support Peer2Peer engagement.
2. Tailoring the educational modules regionally/statewide.	1. Acknowledge that the MB is not committing to take specific action; express gratitude for the work and information. <b>2. Handle the outcome request.</b> 3. Elevate to the PSC. 4. Refer to another team/workgroup.	Action: MB Members will coordinate within their respective agencies or with appropriate agencies within their jurisdictions to create educational modules tailored to their jurisdictions.
3. Identifying underrepresented communities and inviting them to join the LLWG.	1. Acknowledge that the MB is not committing to take specific action; express gratitude for the work and information. <b>2. Handle the outcome request.</b> 3. Elevate to the PSC. 4. Refer to another team/workgroup.	Action: Management Board Members will identify individuals and/or stakeholder groups who represent marginalized groups within their jurisdictions to be invited to join the LLWG

### Tree Canopy Outcome

Where Help is Needed	MB Response Option Results	Follow On Response
1. Tree Canopy Funding & Policy Roundtable – MB support <u>developing and implementing jurisdiction action plans</u> ( <i>Spring 2023 + beyond</i> ).	1. Acknowledge that the MB is not committing to take specific action; express gratitude for the work and information. <b>2. Handle the outcome request.</b> 3. Elevate to the PSC. 4. Refer to another team/workgroup.	Action: MB will help identify appropriate jurisdiction agents to participate in post round table jurisdiction-specific strategy sessions.
2. MB agenda time to discuss priority recommendations/need from the Roundtable process and new Logic & Action Plan ( <i>mid-late Summer 2023</i> ).	1. Acknowledge that the MB is not committing to take specific action; express gratitude for the work and information. <b>2. Handle the outcome request.</b> 3. Elevate to the PSC. 4. Refer to another team/workgroup.	Action: Return to the MB in Summer 2023 to discuss priority recommendations from round table and follow up strategy sessions.  Action: At a future meeting (Summer 2023), the MB will determine whether to elevate priority recommendations from round table follow up to the PSC.

3. Assistance getting local Tree Cover Change Fact Sheets out and in use through state/partner networks ( <i>Spring 2023 + beyond</i> ).	1. Acknowledge that the MB is not committing to take specific action; express gratitude for the work and information. <b>2. Handle the outcome request.</b> 3. Elevate to the PSC. 4. Refer to another team/workgroup.	Action: Relevant Jurisdiction representatives will broadcast fact sheets through their networks starting in spring 2023. Action: Discussion to align these and other actions will be held at March 9 Management Board Meeting following Land Use Presentations.
<b>Land Use Methods and Metrics Development Outcome</b>		
<b>Where Help is Needed</b>	<b>MB Response Option Results</b>	<b>Follow On Response</b>
1. Advise the USEPA that continued monitoring of high res land use change through 2033 is needed to support the achievement of multiple outcomes and the Phase 7 model.	1. Acknowledge that the MB is not committing to take specific action; express gratitude for the work and information. 2. Handle the outcome request. 3. Elevate to the PSC. 4. Refer to another team/workgroup.	
2. Support a broader charge for the Land Use Workgroup to provide land use data and forecasts to serve the needs of multiple CBP outcomes and related local government actions.	1. Acknowledge that the MB is not committing to take specific action; express gratitude for the work and information. 2. Handle the outcome request. 3. Elevate to the PSC. 4. Refer to another team/workgroup.	
<b>Land Use Options Evaluation Outcome</b>		
<b>Where Help is Needed</b>	<b>MB Response Option Results</b>	<b>Follow On Response</b>
1. Continued investment for monitoring of high-res land use change through 2033	1. Acknowledge that the MB is not committing to take specific action; express gratitude for the work and information. 2. Handle the outcome request. 3. Elevate to the PSC. 4. Refer to another team/workgroup.	
2. Promote active use of these data, tools and resources by jurisdictions and locals. Convey the urgency of habitat and living resource loss as a result of land use decisions happening recently and in the near term.	1. Acknowledge that the MB is not committing to take specific action; express gratitude for the work and information. 2. Handle the outcome request. 3. Elevate to the PSC. 4. Refer to another team/workgroup.	
3. Design incentives and credit for land use planning conservation at the local level in the Chesapeake Bay Watershed Model	1. Acknowledge that the MB is not committing to take specific action; express gratitude for the work and information.
