

Beyond 2025 Evaluation: Comments Overview

Lower-hanging fruit

- Adding on context to the Findings and/or Considerations
- Clarifications
 - Conceptual
 - Wording
- Expanding the information/text provided
- Mapping the Findings to Considerations
 - Literally and conceptually
- EPA – ERG relationship

Some re-working and further review of our data

- ▶ Logic model-related Findings and Considerations
- ▶ Social science
 - ▶ Recognize work already done
 - ▶ Clarify some aspects
- ▶ Clarifying the “reduce the number of outcomes” discussions
 - ▶ Address seeming contradictions
- ▶ Tribal to something broader

Out of scope

- Outside the evaluation questions
- Extensions that the SC should take on
- Outside the data we have on hand
 - “What's the implication of this for the Program?”
 - Or not thematic
