

AMT Recap

Zach Easton

8/9/2024

Where have we been?

May 2024

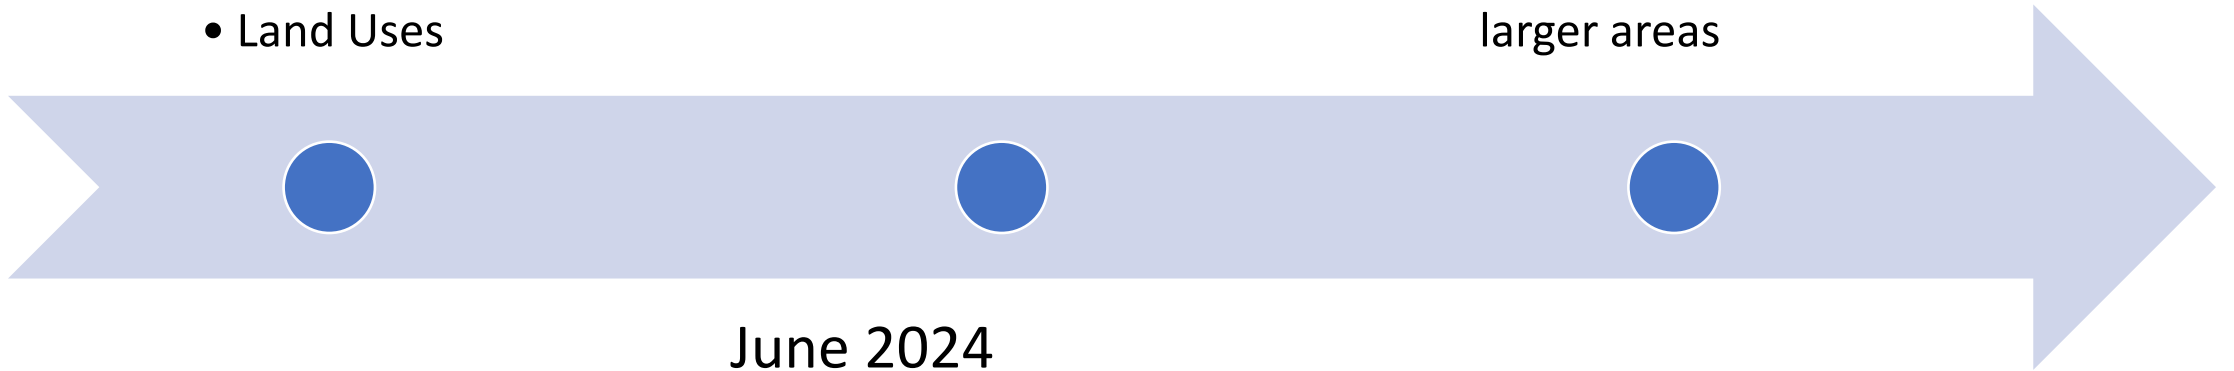

- Land Uses

July 2024

- Small quantities of manure spread over larger areas

June 2024

- Determine acres of grain with manure using Plant Available Nitrogen

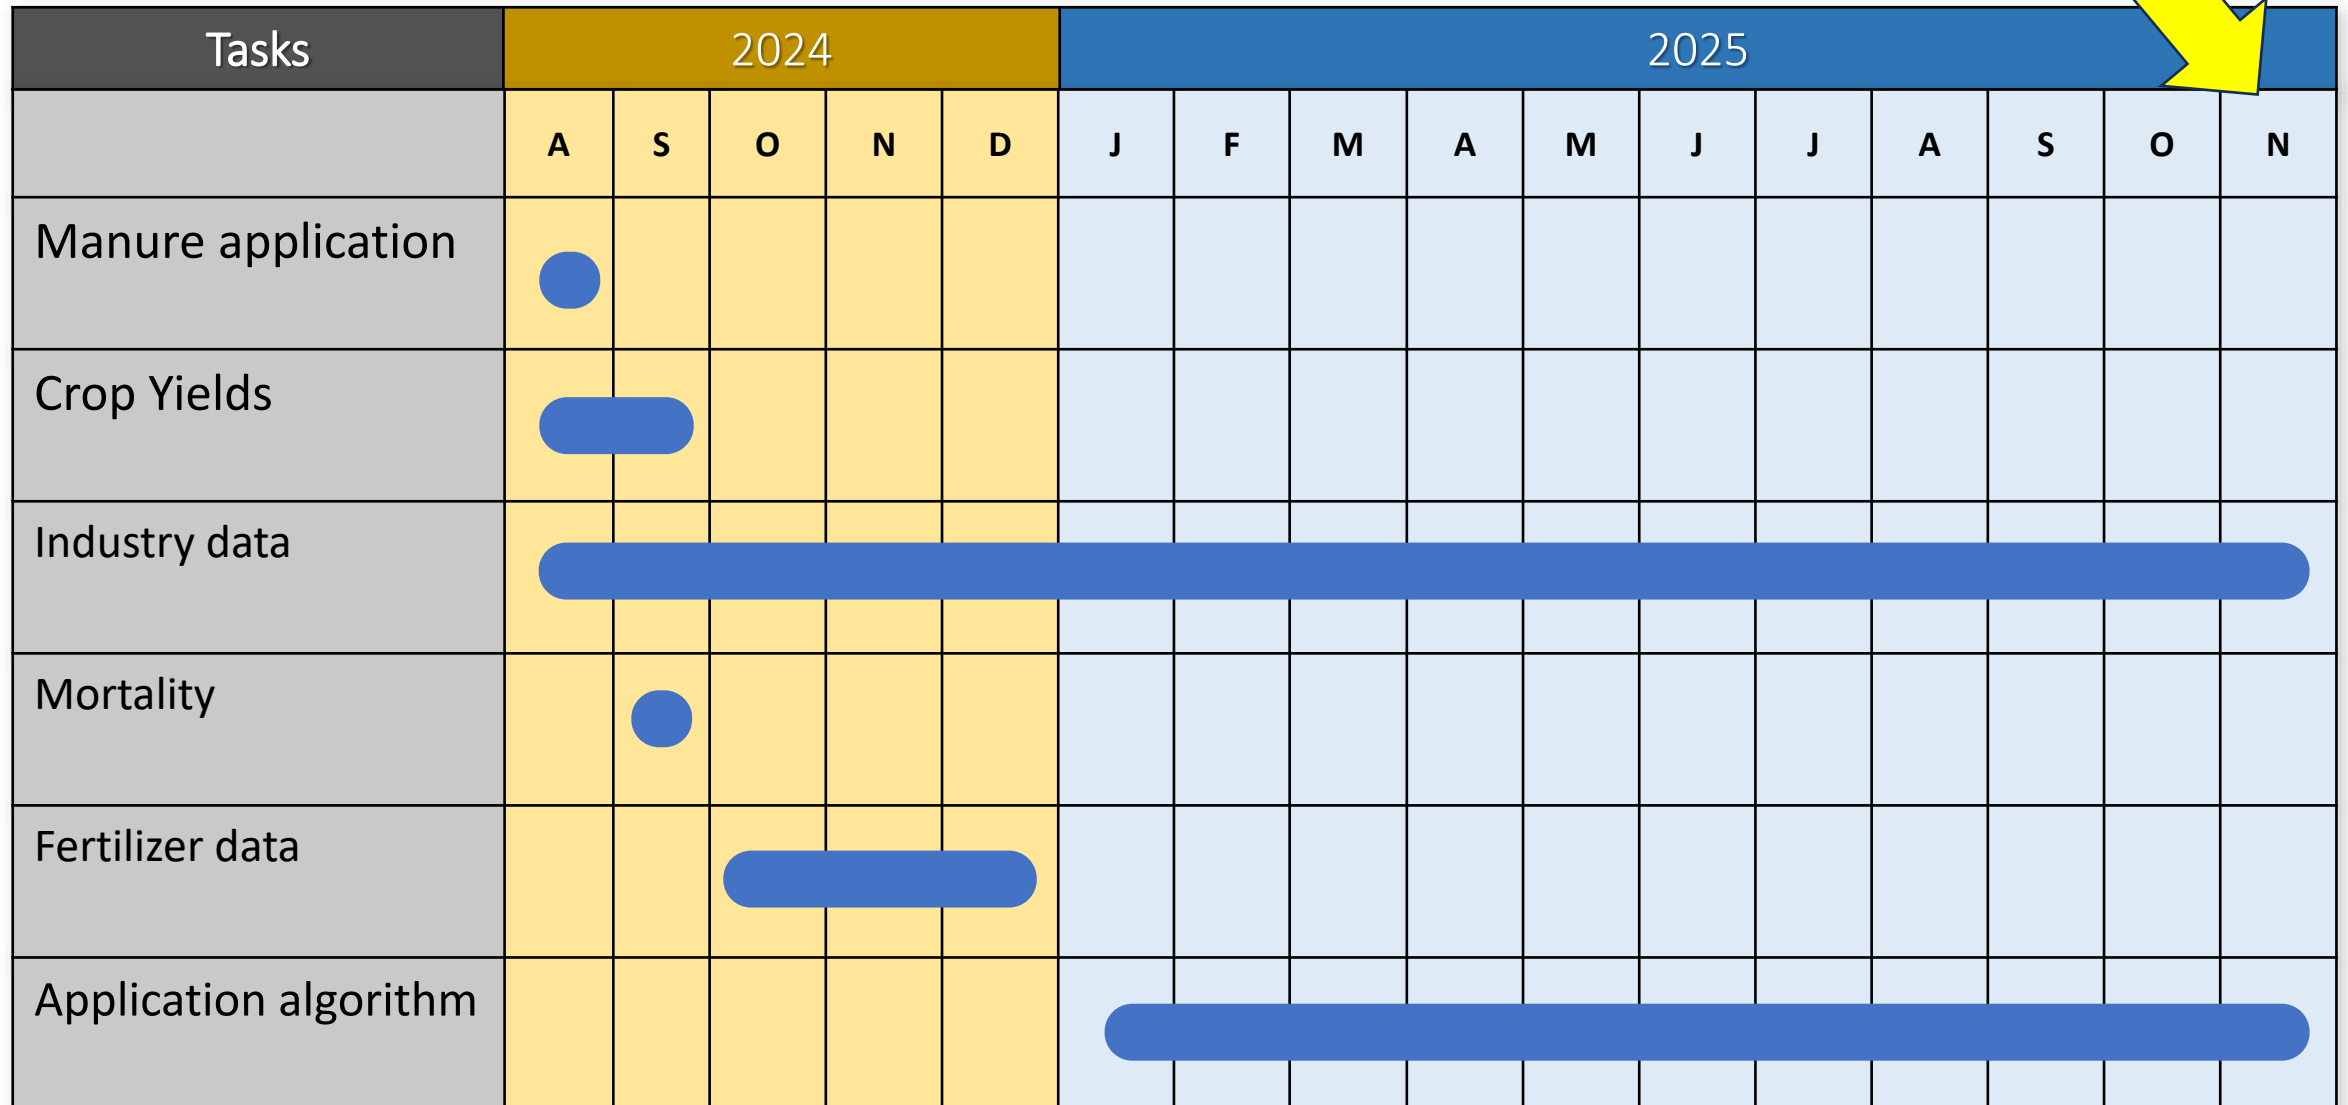

Today we want to:

Wrap up manure applications

- New testing:
 - Silage and grains

Where do we want to go?

Final decisions
