AGENDA

1:00 Announcements - Katheryn Barnhart (EPA) and Doug Bell (EPA), STWG Co-Coordiators

- Introducing [Doug Bell](#), new STWG Co-Coordinator.
- Brief overview of the [new Living STWG Workplan for 2023](#).
- Theme for this meeting: Review identified outcome-specific indicator needs and establish next steps for fulfilling those needs.

1:10 Review of Proposed Additional Water Quality Standards Attainment and Monitoring Indicator – Gary Shenk

Gary will present a modified version of the TMDL indicator his team presented in August 2022 for approval and inclusion as an additional indicator on ChesapeakeProgress.com.

1:40 Review and Discussion of Outcome Specific Needs - Katheryn Barnhart and Doug Bell

Katheryn and Doug will briefly present major themes across identified outcome specific indicator needs, based on what has been heard so far. Katheryn will provide a brief update on the Reaching 2025 efforts and the SRS Biennial Meeting, noting how these efforts connect to the new STWG workplan.

1:50 Presentation on Potential Resources to Address Indicator Needs – Doreen Vetter

Doreen Vetter will present some of the potential avenues and financial resources to address indicator needs and what information is needed from outcome leads when making decisions on the allocation of these resources.

Outcome representatives and members will then discuss these identified needs and potential resources with the goal of developing the next steps for advancing indicator progress.
