This meeting will be recorded and distributed to workgroup members for reference. To turn on closed captioning, click on the three ellipses (More actions), then click on “Turn on live captions” (preview). To request accommodations, please contact Petra Baldwin at baldwin.petra@epa.gov.

Please read the following information carefully, as our meeting policies have changed:

- All meeting attendees' cameras and microphones will be muted at the start of the meeting.
- To request access to the microphone and camera, all meeting participants will be required to use the raised hand feature on Teams. Once access has been granted by the meeting organizer, you will then be allowed to unmute your mic and turn on your camera. Unless instructed otherwise, once a participant has microphone or camera access, they will have this permission for the remainder of the meeting.
- Access to chat will be provided as well. Should it be necessary, the Q&A feature on Teams will be utilized to field participant questions.

Compromised Meeting Plan: If the meeting's privacy is compromised, the meeting staffer and coordinator will send an email to all Members, alternates, staffers, coordinators, and interested parties. Within the email, you will find a new meeting link, instructions on sharing this information with external partners, and any necessary adjustments to the meeting schedule. Please do NOT share this information publicly or post it to the Chesapeakebay.net webpage.

Purpose: This is the monthly meeting of the Urban Stormwater Workgroup. The USWG will discuss the recommendations from the Urban Nutrient Management Expert Panel Report, a post-construction stormwater management BMP proposal from PA, and feedback on the revised CBP structure strawman.

Agenda

- I. Welcome and Announcements** **(10:00 - 10:05 AM)**
Norm will welcome meeting participants and call for the approval of the September USWG meeting minutes.

Requested Action: Decisional.
Lead: Norm Goulet, USWG Chair
Materials: [September USWG Meeting Minutes](#)

II. Announcements and Updates (10:05 – 10:10 AM)

David will share updates on the MS4 data layer for Phase 7, “Beyond Bean Counting” Goal Implementation Funding Project and other ongoing items. Members are invited to share any announcements with the group.

Requested Action: Informational.
Lead: David Wood, USWG Coordinator

III. Urban Nutrient Management Expert Panel Recommendations (10:10 – 10:55 AM)

David will present an overview of the recommendations from the Urban Nutrient Management Expert Panel report. The USWG received [initial briefs](#) on the tentative recommendations at previous meetings. By this meeting, the Panel will have completed the report, which will be shared with members ahead of time for review. Ample time is reserved for questions and discussion. USWG voting members will be asked to approve the report recommendations following this meeting via email.

Note: This portion of the meeting will be recorded and shared for briefing the WTWG and WQGIT ahead of their decisional meetings to approve the report in November.

Requested Action: Pre-decisional presentation and discussion.
Lead: David Wood, USWG Coordinator
Materials: UNM Updates Presentation, UNM Panel Report

IV. Post-Construction Stormwater Management BMP Proposal (10:55 – 11:25 AM)

Jamie, Tyler and Scott will present a proposal from PADEP to leverage retrofit stormwater treatment best management practice (BMP) to support a statewide, conservative estimation of previously unaccounted-for post-construction stormwater management measures from 2013 to 2024 Progress Years, in alignment with state regulatory requirements. The USWG will be asked to vote on interest in pursuing this in the November meeting.

Requested Action: Pre-decisional presentation and discussion.
Lead: Jamie Eberl, Tyler Trostle and Scott Heidel, PADEP
Materials: Presentation

V. CBP Organizational Structure Discussion (11:25 – 11:55 AM)

At their Fall Retreat and Oct 9 meeting, the Management Board discussed an initial structure strawman for the Chesapeake Bay Program to implement alongside the adoption of the revised *Watershed Agreement*. Norm will share an overview of the latest strawman and lead a discussion with USWG members to solicit feedback, comments, and concerns.

Note: The MB decided to table discussions on the workgroup structure underneath Goal Teams for their current recommendation to the PSC, and the strawman will be updated to reflect this. We will post the updated version when it becomes available.

Requested Action: Informational, for discussion.
Lead: Norm Goulet, USWG Chair
