

August 2023

Co-Chair Nominee Bios for the Wastewater Treatment Workgroup (WWTWG)

[Justin Carl, General Manager and CEO, Alexandria Renew Enterprises \(AlexRenew\)](#)

Justin Carl - PE

Justin Carl serves as AlexRenew's General Manager and Chief Executive Officer, leading AlexRenew's team of more than 100 professionals. Mr. Carl is an experienced leader in managing diverse teams to deliver large-scale, environmental infrastructure programs. He has successfully led over \$1.6 billion of planning, design, procurement, and construction for wastewater-focused projects in the DC Metro area for the last 15 years. He is a licensed Professional Engineer in Virginia and the District of Columbia and holds a Master of Engineering degree in Environmental Engineering from Manhattan College.

[Jamie Mitchell, Director of the Water Quality Department for the Hampton Roads Sanitation District](#)

Jamie Heisig-Mitchell-MS

Jamie Mitchell has been with the Hampton Roads Sanitation District (HRSD) since 2001 and has been Director of their Water Quality Department since 2022, overseeing a staff of 135 and instructing staff enrolled in their Coaching Program. HRSD is a national leader in water recharge and reuse, in part based on the relationships that Ms. Mitchell has forged with state and federal regulators and her ability to collaborate with local stakeholders. She is involved in shellfish closure zone research and monitoring activities including boater pump-out and microbial source tracking. She serves on the Board of the Virginia Association of Municipal Wastewater Agencies (VAMWA) and chairs VAMWA's Water Quality Committee. She also serves on the Boards of the Virginia Biosolids Council and the University of Colorado's Water Reuse Advisory Committee and is a member of the HRPDC Regional Environmental Technical Workgroup. She holds a Master's degree in Biological Sciences from Old Dominion University.
