

Climate Resiliency Workshop

Date: June 8th, 2015, 10am – 3pm

Joe Macknis Memorial Conference Room

Webpage: <http://www.chesapeakebay.net/calendar/event/22743>

We encourage in-person participation, however remote participation details are available on the Workshop webpage, above.

PARTICIPANTS: Be prepared to begin discussions of what your jurisdiction, group, or organization would like to commit to the Climate Resiliency 2-year Workplan.

AGENDA

- 10:00 am** **Welcome, Introductions, Announcements** (*Zoe Johnson, Workgroup Chair and Mark Bennett, STAR Co-Chair*)
- 10:15 am** **Wrap up Climate Resiliency Management Strategy – Final Steps** (*Zoe Johnson, Workgroup Chair*)
Zoe will provide an overview of the changes made for the (almost) final draft of the Management Strategy and discuss final steps.
- Supplemental Materials:*
- Climate Resiliency Management Strategy Clean Version (see webpage)
 - Climate Resiliency Management Strategy Track Changes Version (see webpage)
 - [Management Strategy](#) and [Workplan](#) Timelines
- 10:30 am** **Review of the 2-Year Workplan via Management Board Approved Template**
Zoe will present the beginnings of a 2-year workplan as per the template presented at the last Climate Change meeting. The group will provide initial feedback for the afternoon working session.
- Supplemental Materials:*
- [Climate Resiliency Workplan Template – Adaptation](#)
 - [Climate Resiliency Workplan Template – Monitoring & Assessment](#)
- 10:50 pm** **Explain the afternoon working session format** (*Lea Rubin, Workgroup and STAR staffer*)
- 11:00 am** **Working Session: Brainstorm and Prioritize Key Action Steps for the 2-Year Workplan**
The workshop participants will participate in an interactive process to begin the development of the 2-year workplan.
- 12:00 pm** **Lunch** (Bring a lunch or \$10 cash for a Jimmy John's Box Lunch)

1:00 pm **Continue Working Session**

2:00 pm **Agency Commitments and Gaps**

Wrap up of the Afternoon working session, and review of the agency commitments and gaps identified.

2:15 pm **Funding needs and opportunities**

Participants will discuss the Regional Coastal Resilience Grants Program and the Coastal Ecosystem Resiliency Grants Program, as well as other funding opportunities available or needed to accomplish the 2-Year Workplan.

Supplementary Materials:

- NOAA 2015 Regional Coastal Resilience Grant Program website:
<http://www.coast.noaa.gov/resilience-grant/>

3:00 pm **Adjourn**

PARTICIPANTS: Leaving this meeting, we hope to have accomplished the beginnings of a 2-Year Workplan for the Climate Resiliency Management Strategy. We also charge the Workshop participants to go back to their organizations to propose possible commitments or actions to take on.
