Log-in instructions:

Use the link above to join Zoom and follow the instructions to connect your audio, either via phone or your computer. Please provide your name and affiliation, e.g. "John Doe, Chesapeake Bay Program." If there are multiple viewers at your location, simply enter your affiliation, e.g. "Chesapeake Bay Program"

Materials [Link to CBP Calendar Page](#)

Meeting objectives:

- Provide context on this BMP review for animal mortality management systems to stakeholders and expert panel members.
- Present and discuss data or experiences to help inform the panel as it evaluates water quality benefits (nitrogen and phosphorus reductions) associated with animal mortality management in the Chesapeake Bay region.

1:30PM	Welcome and Introduction Call-to-order and verify participants Overview of BMP Expert Panel Process	Jeremy Hanson, Virginia Tech
1:50PM	Panel Introductions Panelists will introduce themselves and briefly describe their research and professional background.	Expert panel members
2:00PM	Stakeholder Presentations Interested stakeholders are welcome to present relevant data or experiences to the	Pre-registered presenters

panelists. Length of presentations will be limited based on number of presenters with discussion reserved after all presentations have been made. Due to limited space on the agenda, presentations will be assigned on a first come, first serve basis. If interested in presenting, RSVP using the link below and indicate yourself as a presenter. Presentations must be provided to Jeremy Hanson (jchanson@vt.edu) in advance of the meeting. Please note all presentations will be posted to [the online calendar entry](#)

3:00PM	Discussion	
3:15PM	Wrap-up and Next Steps	Hanson
3:30PM	Adjourn	

Please RSVP if you plan to attend in person. Remote participation is available, but in-person attendance is encouraged. Space is limited so your RSVP will help with planning purposes. All presenters must RSVP in advance and provide their presentations to Jeremy (jchanson@vt.edu) in advance of the meeting. RSVP here:
