

CBP Data Hub Requirements Gathering: External Stakeholder Session

January 16, 2013 1:00 PM – 3:00 PM Eastern

- Webinar Link: <https://www3.gotomeeting.com/join/171053678>
- Conference dial-in number: (530) 881-1400; Participant access code: 192125

Proposed Agenda

Part I: Introduction (15 minutes)

- Welcome, introductions and roll call
- “3,000-ft View” of future CBP Data Enterprise
 - o **Current CBP Data Hub:** <http://www.chesapeakebay.net/data>
 - o **Current CBP Catalog:** <http://catalog.chesapeakebay.net/geoportal/>

Part II: Data Hub Business Processes (45 minutes)

Explore how users are using the data, what barriers they’ve encountered, specific issues they have, and what they’d like to see in a future Data Hub.

- **Online Survey** <http://www.surveymonkey.com/s/L7BLC28>

Part III: Validation of Functional Issues We’ve Heard (45 minutes)

Review questions that have been compiled based on feedback received to date. Give stakeholders a chance to validate, expand on, or prioritize some of the issues that we’ve noted.

- **Online Survey** <http://www.surveymonkey.com/s/LLYBWH9>

Part IV: Questions, Closing Statements and Next Steps (15 minutes)

- Question and Answer
- Recap and Next Steps
