

Conservation Tillage Phase 6.0 Expert Panel Open Session
August 10, 2015
10:30AM-11:30AM

University of Maryland Extension - Washington County

7303 Sharpsburg Pike

Boonsboro, MD 21713

Map: <https://goo.gl/maps/96aTU>

Webinar (all audio will be through the webinar): https://epa.connectsolutions.com/open_sessions/

Materials: <http://www.chesapeakebay.net/calendar/event/22885>

RSVP/Registration URL: <http://goo.gl/forms/HVV0yfc8bQ>

Meeting Objectives:

- Provide context on the BMP review to stakeholders and expert panel members.
- Provide input to the panel in the form of presentations or discussion that will help inform their evaluation of water quality benefits – specifically nitrogen, phosphorus and sediment reductions – associated with these practices in the Chesapeake Bay Watershed. The input requested may address, but is not limited to: data, policy and regulations, experiences with implementation, or tracking and reporting credits.

10:30AM	Welcome and Introduction Overview of BMP Review and Expert Panel Process	Panel chair/coordinator
10:45AM	Panel Introduction Panelists will introduce themselves and briefly describe their research and professional background.	Panel members
11:00AM	Stakeholder Presentations and Discussion Interested stakeholders are welcome to present relevant data or experiences to the panelists. Presentations will be limited to 10 minutes followed by 5 minutes of Q&A and discussion. Due to limited space on the agenda, presentations will be assigned on a first come, first serve basis. If interested in presenting, RSVP using the link below and identify yourself as a presenter no later than July 27. Presentations must be provided to Emma Giese (egiese@chesapeakebay.net) by August 6. Please note all presentations will be posted to the online calendar entry	Pre-registered presenters
11:30AM	Adjourn	

Please remember to RSVP: <http://goo.gl/forms/HVV0yfc8bQ>

Visitor parking is available adjacent to the Washington County Extension building.
