AGENDA

Open Session: Chesapeake Bay Program Partnership's Impervious Cover Disconnection Expert Panel Stakeholder Forum

Tuesday, September 15th, 2015
1:00 PM – 4:00 PM

Location   Joe Macknis Memorial Conference Room (Fish Shack)
410 Severn Avenue, Suite 117
Annapolis, MD 21403

Webinar & Audio Info

Log-in instructions: Shortly before the meeting begins, you can join the webinar here: https://epa.connectsolutions.com/bmpassessment/

Enter as a guest, using your name and affiliation when prompted (e.g., Jane Doe, Chesapeake Bay Program). Use your affiliation for groups of multiple people watching in the same room (e.g., Chesapeake Bay Program).

Audio will be through your computer, so please ensure you have speakers or headphones to listen. Check your computer audio settings to see if your audio is muted.

All webinar participants will be muted and must use the Chat box to ask questions.

If you have not used Adobe Connect for Chesapeake Bay Program meetings in the past, it is recommended that you test your connection and software prior to the webinar: https://epa.connectsolutions.com/common/help/en/support/meeting_test.htm

Materials: http://www.chesapeakebay.net/calendar/event/22967

RSVP/Registration URL: http://goo.gl/forms/p1uSZA7L8E

Meeting objectives:

- Provide context on this BMP review for impervious cover disconnection to stakeholders and expert panel members.
- Provide input to the panel in the form of presentations or discussion that will help inform their evaluation of water quality benefits – specifically nitrogen, phosphorus and sediment reductions – associated with the disconnection of impervious surfaces in the Chesapeake Bay Watershed. The input requested may address, but is not limited to: data, policy and regulations, experiences with implementation, or tracking and reporting the practices for application toward nutrient and sediment reduction targets.

1:00PM	**Welcome and Introduction**	Jeremy Hanson, Virginia Tech
	Call-to-order Overview of BMP Review and Expert Panel Process	
1:20PM	**Panel Introductions** Panelists will introduce themselves and briefly describe their research and professional background.	Expert panel members
1:40PM	**Stakeholder Presentations and Discussion** Interested stakeholders are welcome to present relevant data or experiences to the panelists. Presentations will be limited to 10 minutes followed by 5 minutes of Q&A and discussion. Due to limited space on the agenda, presentations will be assigned on a first come, first serve basis. If interested in presenting, RSVP using the link below and identify yourself as a presenter no later than September 9. Presentations must be provided to Jeremy Hanson (jchanson@vt.edu) by COB September 9. Please note all presentations will be posted to the online calendar entry http://www.chesapeakebay.net/calendar/event/22967	Pre-registered presenters
2:40PM	**Break**	
2:50PM	**Stakeholder Presentations and Discussion (cont'd)** Please note that depending on the final number of presentations the meeting may be adjourned early, at the discretion of the Panel Chair (Bill Stack) and Panel Coordinator (Jeremy Hanson).	Pre-registered presenters
4:00PM	**Adjourn**	

PLEASE REMEMBER TO RSVP

Any messages prior to or following the meeting will be directed to registered participants.

Presentations can be made remotely or in-person. All prospective presenters must RSVP. Slides are requested to be submitted to Jeremy (jchanson@vt.edu) in .pdf or .pptx format by COB September 9th. Any presentations should be provided to Jeremy by close of business on May 27th. RSVP here: http://goo.gl/forms/p1uSZA7L8E

Non-presenters may register at anytime, but space in the room is limited so those who wish to attend in-person are encouraged to RSVP by September 9th. Anyone is welcome to join the webinar the day of the meeting, but it is helpful to RSVP to ensure you receive any pre- or post-meeting messages.

Experiencing Adobe Connect issues?

It is recommended that you test your connection and software prior to the webinar: https://epa.connectsolutions.com/common/help/en/support/meeting_test.htm

If you are unable to hear audio after the webinar begins, please double-check your computer audio settings, speakers or headphones to ensure your audio is not muted.

Parking for in-person attendees

There is ample free street parking available in the surrounding area, but allow for extra time to park and walk one or more blocks (extra 10 minutes). Obey posted signs, fire lanes or other restrictions. Paid parking is available on-site at the City Marina for $3/hr or $20/day maximum.

Entering the conference room

The conference room (Suite 117) is located in the green building at the City Marina (410 Severn Avenue). The doors automatically lock and cannot be propped open or unlocked. If nobody is there to let you in you can ask for assistance at the front desk in Suite 112, which is not locked.
