

Nutrient Management Phase 6.0 Expert Panel Open Session

September 10, 2015

9:30AM-11:30AM

USGS Water Science Center
5522 Research Park Drive
Baltimore, MD 21228
Map: <https://goo.gl/maps/LL1R8>

Webinar recording: <https://epa.connectsolutions.com/p409tlqrv1i/>

Materials: <http://www.chesapeakebay.net/calendar/event/22888>
RSVP/Registration URL: <http://goo.gl/forms/HVV0yfc8bQ>

Meeting Objectives:

- Provide context on the BMP review to stakeholders and expert panel members.
- Provide input to the panel in the form of presentations or discussion that will help inform their evaluation of water quality benefits – specifically nitrogen, phosphorus and sediment reductions – associated with these practices in the Chesapeake Bay Watershed. The input requested may address, but is not limited to: data, policy and regulations, experiences with implementation, or tracking and reporting credits.

9:30AM	Welcome and Introduction Overview of BMP Review and Expert Panel Process	Panel chair/coordinator
9:45AM	Panel Introduction Panelists will introduce themselves and briefly describe their research and professional background.	Panel members
10:00AM	Stakeholder Presentations and Discussion Interested stakeholders are welcome to present relevant data or experiences to the panelists. Presentations will be limited to 10 minutes followed by 5 minutes of Q&A and discussion. Due to limited space on the agenda, presentations will be assigned on a first come, first serve basis. If interested in presenting, RSVP using the link below and identify yourself as a presenter no later than August 27. Please note all presentations will be posted to the online calendar entry: http://www.chesapeakebay.net/calendar/event/22888 .	Pre-registered presenters
11:30AM	Adjourn	

Please remember to RSVP: <http://goo.gl/forms/HVV0yfc8bQ>

Visitor parking is available adjacent to the USGS Water Science Center.
