AGENDA

10:00 **Welcome, Introduction, Announcements** – P. Tango (USGS-CBPO, CAP Chair)

10:15 **Draft Ambient Water Quality Criteria Technical Addendum Review**– P. Tango (USGS-CBPO, CAP Chair) and CAP Workgroup

- A PPT presentation will be provided to briefly walk through each chapter and key recommendations.
 - A status of recommendations that were already approved by the WQGIT will be highlighted.
 - **ACTION:** Requesting approval on chapters and recommendations that have not already been approved by the WQGIT
 - **ACTION:** Suggestions by the recent TMAW review of final analysis needs to support completion of addendum will be highlighted; any final requests from CAP WG per this review will be added.
- An anticipated schedule of completion will be reviewed as follows: A meeting with EPA-Philadelphia to review the addendum for their feedback is expected before June 30, 2014. Addressing any EPA comments will be expected July and August. WQGIT approval is expected for late summer/early fall. The drop dead date of delivery of the final copy of the addendum is December 2014.

12:00 **Adjourn**
