Overview of Strategy Review System

CRWG is next for SRS!

SRS: The CBP adaptive management that works towards achieving the outcomes of the Chesapeake Bay Watershed Agreement

- Monitoring and Assessment Outcome
- Adaptation Outcome

1. SRS Materials

Overview of documents due to the Management Board

Logic & Action Plan

Illustrates the link between the factors that could impact the partnership's ability to achieve an outcome and the actions it is taking to manage them.

No New Actions!

We are only addressing the status of the actions from the past two years. We are not creating new actions for the next two years.

Narrative Analysis

A summary of findings from the L&A Plan. It also describes whether new information will impact how to achieve an outcome and recommends course corrections.

Presentation

Summarizes the information in the Management Strategy, Logic & Action Plan, and Narrative Analysis.

2. Meetings and Deadlines
