The main purpose of this call is to discuss the status of the Urban Tree Canopy Expert Panel's recommendations for the urban tree canopy BMP (2:10 PM – 3:20 PM). The FWG will be asked to approve the recommendations and report. Neely Law (CWP), Jeremy Hanson (VA Tech), and the Tree Canopy Expert Panel have been working hard to consider and incorporate the many comments they received on the draft Expert Panel Tree Canopy BMP Report. Please note that written details about the Expert Panel's full set of responses to comments for the FWG will likely not be completed until 6/22 or possibly the morning of 6/23 at the latest. FWG members may want to put aside some time to review any written materials in the day leading up to the 23rd.
